

First Field Farm Summer Pony Camp

Does your child love horses and ponies?

At First Field Farm Summer Camp, your child will learn the basics about how to care for, ride and have fun with horses and ponies!

Our camp includes:

-1 hour riding lesson per day aboard our safe, reliable school horses and ponies. We stress safety, correct position and technique and of course, fun!

-Learning about their horses! Everything from different breeds and colors, to identifying parts of their horses and equipment and so much more!

-Hands on horse time! Your camper will spend time each day learning how to properly care for their horse or pony, getting them ready for their lessons, putting them away properly, feeding, bathing and equipment care. This will always be taught and supervised by our knowledgeable staff and assisted by our Summer CITs (Counselor's In Training).

-Arts and Crafts Fun! Our campers will remember their time at First Field Farm for many years with lovely keepsakes they will make!

-Camp Horse Show! Each Friday, our campers will demonstrate their new skills in a Camp Horse Show! Parents, Friends and family members are encouraged to attend! Upon completion, your camper will receive a Ribbon and Certificate!
